

Historical Institutional Abuse
Redress Board

Key Business Performance Summary at 30 September 2022

As at **30 September 2022**, the Redress Board has received **3,191** applications. Unfortunately, a significant number of these applications did not comply with the Rule 4 statutory requirements on receipt of the application and **58 remain incomplete**. It is important to note that the Board has elected to issue the Rule 7 Notice to verify the applicant's attendance at an institution regardless of whether or not an application is complete in order to reduce any further delay. However, these applications cannot be progressed to a panel until the outstanding information is provided by applicants and so fall outside the control of the Board and are discounted for the purposes of this summary.

***In these applications the Redress Board has asked the applicant to comment on records or to provide further information. For example, if there are significant discrepancies between the dates provided by the applicant and the institution(s), we will issue a Date Enquiry Letter seeking comment from the applicant. For example, if the panel considers that the applicant should have sight of documentation received from the institution(s), we will issue a Sharing of Material letter seeking comment from the applicant. The Redress Board cannot progress the application until a response is received from the applicant or their solicitor.*
