

Historical Institutional Abuse
Redress Board

**Key Business Performance Summary Report
at 30 June 2025**

As at **30 June 2025**, the Redress Board has received **5,496** applications. Unfortunately, a number of applications do not comply with the Rule 4 statutory requirements on receipt of the application and **86 remain incomplete**. It is important to note that the Board has elected to issue the Rule 7 Notice to verify the applicant's attendance at an institution regardless of whether or not an application is complete in order to reduce any further delay. However, these applications cannot be progressed to a panel until the outstanding information is provided by applicants and so fall outside the control of the Board and are discounted for the purposes of this summary.

**If the Redress Board receives a Rule 7 Notice response that does not confirm the applicant's attendance it will undertake additional investigations on behalf of the applicant, to source alternative information from other statutory and voluntary bodies and record archives to confirm the statutory information requirements of the Rule 7 Notice.*

***In these applications the Redress Board has asked the applicant to comment on records or to provide further information. For example, if there are significant discrepancies between the dates provided by the applicant and the institution(s), we will issue a Date Enquiry Letter seeking comment from the applicant. For example, if the panel considers that the applicant should have sight of documentation received from the institution(s), we will issue a Sharing of Material letter seeking comment from the applicant. The Redress Board cannot progress the application until a response is received from the applicant or their solicitor.*
